Report to the SBVA - July 1, 2017

The Stinson Beach Volunteer Fire Dept. thanks everyone who supported our volunteer firefighters by attending the Father's Day pancake breakfast.

We wish everyone a safe 4th of July celebration, and we would like to remind you that all fireworks including the so called, "Safe and Sane Fireworks", are illegal throughout Marin County. The heavy winter rains have created extra vegetation that now is dry and ready to burn with one spark. Please talk to your kids and explain the very real dangers between fireworks and wildfire.
