Re: Stinson Beach Village Association

Dear Frank,

The Stinson Beach Village Association appreciates the attendance of a GGNRA representative at our monthly meetings. We believe that the relationship between the GGNRA and the community of Stinson Beach is of paramount importance and further enhances communication between our organizations.

Since decisions made by the GGNRA often directly impact our village, the SBVA is requesting that we be notified of any public meetings so that we can arrange to send a representative from our organization.

Notification of any meetings can be sent to the SBVA by mail to P.O. Box 706, Stinson Beach, California, 94970 or by e-mail to ruprancho@aol.com.

Very truly yours,

The Stinson Beach Village Association
