Dear Mr. Greeley,

It is the opinion of the Stinson Beach Village Association that this application does not contain the sufficient information to make a recommendation on this proposal:

1. The story poles representing the north elevation have fallen and the proposed height cannot be verified;
2. The March 18, 2014 letter from James Bill, included as an attachment to the Fourth Planning Referral Transmittal of March 20, 2014 and the plans of March 17, 2014, is missing the copy between the second sentence of "2)" at the bottom of the first page and the beginning of "5)" on the second page.

This project is on our agenda for our monthly meeting on Saturday, April 5, 2014.

Thank you for taking this into consideration as you review the application.

Sincerely,

Lawrence Crutcher, Coordinator, Abstention
Terry Gordon, Coordinator
Mike Matthews, Coordinator
Kelli Giest, Secretary
