Re: CSA 33/Village Green I & II

Dear Mr. Paolini,

Mr. Michael Mitchell, Secretary of the CSA 33/Village Green I & II presented the blueprint landscape improvements for the Village Greens I & II to the Stinson Beach Village Association at their monthly community meeting held on November 3, 2012. The landscape improvements included a list of revisions/remodeling proposals for the two parks.

The Stinson Beach Village Association would like to go on record with the Department of Parks and Open Space in support of the landscape plans as presented. The SBVA is also in support of tree and shrub removal as well as gopher eradication.

The proposed changes to the Village Green I & II will dramatically enhance the beauty of the village of Stinson Beach and provide a wonderful and well-maintained playground for all future visitors.

Very truly yours,
