1. Accessible ramp to beach: permanent rail, galvanized to match, to be installed by end of October.
 2. Due to recent sand loss at Stinson Beach, the opening that developed near the central restroom has been secured and estimates are being sought to fix.
 3. Marin County is in process of clearing sediment from the basin in Easkoot Creek.
 4. Great jr lifeguard summer and NPS lifeguard season has ended as well. NPS maintenance staff will handle opening and be on-site for early shifts, LE will cover afternoon/evening and closing.
