

SBCC Report for August 4, 2018 SBVA Meeting

We had a delay in the stair project as a community member who was instrumental in the project was ill and in the hospital.
As you all can see it is coming along!

We are in the midst of our wedding season. It is also the booking season for next year and I have been busy with both.

West Marin Choir will begin their fall sessions in the hall starting on August 20th from 7:00p-8:30p and runs every Monday evening until September 24th. They will move their session on Labor Day, September 3rd, to September 5th. If you have never been these gatherings are sweet, fun and in my humble opinion good for the soul!

There will be a Sound Meditation on August 26th from noon to 5:00p with Melissa Felenstein. She is wonderful and her retreat is both rejuvenating and healing. For more information or to buy tickets, you may go to innersoundsyoga.com

Thank you kindly,
Mary Greenwood
