MEMORANDUM

Date: June 23, 2012
To: Board of Directors, Stinson Beach County Water District
From: Board of Directors, Stinson Beach Village Association
Re: Request for Appointment of a Representative from the SBCWD to the SBVA's Ad Hoc Committee Formed to Review and Make Recommendations to the Marin County Board of Supervisors regarding the Marin County Planning Commission's Recommended Draft of the Local Coastal Program Amendment.

* * * * *

Thank you for this opportunity to address the Stinson Beach County Water District (SBCWD) regarding the Draft Local Coastal Program Amendment (LCPA).

It is the opinion of the Stinson Beach Village Association (SBVA)'s Board that the LCPA deserves a thorough review, as it establishes policies that will affect Stinson Beach and all the coastal communities of Marin County for years to come.

The SBVA Board is announcing at the July 7 meeting the formation of an ad hoc committee comprised of representatives from local organizations and private individuals to review these proposed policies and to make any comments and recommendations deemed necessary in a written document, which should be delivered to the Board of Supervisors on or before July 26th, 10 days prior to the workshop and hearing scheduled for August 7th, 2012.

I am here today to request that the SBCWD select a representative who could assist the committee in assessing those policies of the LCPA that deal with water resource management.

Thank you,

Sam Matthews
