- County DPW removed sediment in Easkoot Creek, per agreement with NPS and long-term agreement is "in the works"
- Studies, plans to be shared and collaborative effort to be formed in upcoming months as information, funding is lined up. Informal information exchange, site visits ongoing with residents and others.
- NPS and OneTam continue to participate in Caltrans mitigation discussion for work to be done along Bolinas Lagoon shoreline.
- Work continues on north end of Bolinas Lagoon restoration efforts (County lead, OneTam participating).
- Tentative date set for "State of Bolinas Lagoon" open house March 7, 2019
