

**Good news:** the north lot is mostly open, save and available for visitor use. The park's maintenance crew focused on this to have available before Memorial Day, the Dipsea Race and summer. Plus, the parking and trail to Upton Beach for dogs/dogwalkers is also open and signed (the park requests local support for keeping dogs off the NPS main beach to provide opportunities for all, thank you). Studies are being "freshened" and future work will include County planning as well as the Stinson Beach community, the Flood Contract Task Force and others.

**Jr. Lifeguard Program on board!** Stinson Beach jr lifeguards began the 2018 season with beach orientation, swim and run tests. The program will continue through July and serves as a direct recruitment and training program for the NPS employment.

**Parking:** parking attendants continue to be on hand weekends and holidays to keep traffic moving.

**Concession:** prospectus is out and bids being accepted for food services at the beach.

**Easkoot Creek health...join in!** the next monthly work day is July 28. [www.onetam.org/habitat-restoration-easkoot-creek-hosted-national-park-service-and-one-tam-10](http://www.onetam.org/habitat-restoration-easkoot-creek-hosted-national-park-service-and-one-tam-10)

**New Stewardship Opp...became a Stinson caretaker: flyer attached**

Historic Landscape and Facilities Stewardship at Stinson Beach meets Second Thursday of the month 10 am - 1 pm...become a caretaker and help make the area safer and beautifully maintained. Something for everyone to do!
