**Subject:** NPS report to SBVA August 2019

**Date:** August 2, 2019 at 2:59 PM

**To:** Lisa Bieringer stinsonbeachvillageassociation@gmail.com, Stinson Beach stinsonbeachvillage@gmail.com

1. Lifeguards and Jr. Lifeguards on duty!
2. Hold the date: **September 21 Coast Clean-up Date!**
3. A browse of the [onetam.org](http://onetam.org) website describes astronomy nights and an array of hikes as well as service days in the Stinson Beach area on Aug 10 (Bolin Ridge), Aug 24 (Easkoot Creek), Sept 11 (Stinson Terrace/Bolin Ridge)
4. Facilities team reports NPS project manager identified for the north parking lot rehab project and soon opportunities for community information will be set.
5. Nature note: after a serious die-off baby sea stars are showing up in our Marin tidepools! not such good news for mussels which "cooked in their shells" during the June heat wave and the havoc this devastation is causing to an important part of the rocky intertidal zone is now just becoming apparent. And, looking for what to plant to welcome monarch butterflies back later this summer with good coastal nectar sources (remember: don't plant milkweed here!): <https://xerces.org/monarch-nectar-plant-guide-california-coast/>
