In addition, a copy of the draft TPEIR is available for review at Marin County Parks, 3501 Civic Center Drive, Suite 260, San Rafael, California, 94903 Monday through Friday, 8:30 a.m. to 4:30 p.m., and at the Marin County Civic Center Library and other public libraries throughout Marin County. Marin County Parks has copies of the draft TPEIR and RTMP available at no charge on compact disc or USB flash drive. Paper copies of these documents are also available for purchase.

The RTMP will guide MCOSD's management of its road and trails, and would:

- Establish and maintain a sustainable system of roads and trails that meet design and management standards
- Reduce the environmental impact of roads and trails on sensitive resources, habitats, riparian areas, and special status plant and animal species
- Improve the visitor experience

The RTMP would apply to all 34 of the MCOSD open space preserves, which are primarily in the eastern urbanized corridor of the county, but there are several preserves in West Marin, including San Geronimo Valley and the Bolinas and Stinson Beach area.
