Fire Chief Kenny Stevens would like everyone to bring questions and voice their concerns at the California Dept. of Transportation (Caltrans) meeting to be held on **Tuesday, October 10th, at 6:30 PM** at the **SB Community Center**. A Caltrans Public Information Officer along with the Caltrans Structure Representative for two of the slide repair projects near Stinson Beach will present an update on the progress of the repair and related access constraints.

Everyone in the community is encouraged to take Community Emergency Response Team (CERT) training. The training takes 18 hours. The next two-day training is scheduled for Sat., Oct. 14th, and Sat., Oct. 21st, from 8:30 AM - 5:30 PM in Nicasio. For more info or to register, go to <http://readymarin.org/calendar/>.

Free flu shots will be offered by Dominican University on Saturday, October 28th, from 1:00 to 3:30 PM at Fire House 1 located next to the SB Community Center. If you are a Kaiser member, please bring your Kaiser membership card, so the organizers can be reimbursed. Everyone (including non-Kaiser members and the uninsured) is welcome, and no one will be charged for the flu shots.
